

Spring/Summer 2022

Celebrate Earth Week April 18th-24th

Join The Mayor In Several Community Wide Events

The Montrose Porch Project (MPP), will be holding two events during Earth Week 2022, April 18th-24th. MPP mission is to improve the quality of life for its citizens through the restoration and beautification of homes and businesses.

"Battle of the Porches" is this year's before and after cleanup picture competition. The winner will receive a Riverside Market Gift Card.

"Scrapping 4 Porches" will be a community wide Spring cleanup, scrap metal and can drive event. Residents that wish to donate scrap and cans need to contact MPP at montroseporchproject@gmail.com to arrange for pickup on Sunday, April 24th. These donations will go to fund future MPP community events and future projects.

Residents can submit a before and after picture to the [Montrose Porch Project Facebook page](#) and or montroseporchproject@gmail.com

MPP is encouraging community residents to take time to clean litter from their property and neighborhood. City residents can obtain a free dump pass for the Brent Run landfill each month. To learn more please see page 9.

Do you have paint, old electronics, batteries or automotive fluids that need to be disposed? Genesee County offers Recycle Days throughout the year.

Please visit <http://gcmpc.org/recycle-day/> to find out upcoming dates for 2022.

Don't Forget to Get Your Permit

City of Montrose staff can answer your questions about the building, zoning and the permitting process and guide you through the details so that your home or business not only looks great when you are done with your project but can be done right. Permits can be obtained through the city office or online. Because your home or business is an investment, if your construction project does not comply with city ordinances, the value of your investment can be reduced. Property insurers may not cover work done without permits and inspections. If you decide to sell a home or building that has had modifications without a permit, you may be required to make costly repairs. Also, by following code guidelines, the completed project will meet minimum standards of safety and will be less likely to cause injury to you, your family, your friends or future owners. If you are hiring an outside contractor for your next home project, please make sure whoever you hire is licensed and insured.

If you are planning to do work such as landscaping or excavating please contact MISS DIG at least 3 business days prior to conducting excavation on your property. Contact MISS DIG at 1-800-482-7171 or 8-1-1 MISS DIG will notify the public utilities in your area so that they can locate and mark the approximate location of underground lines they own and operate within your proposed work area.

City of Montrose Special Election - May 3, 2022

Mosquito Abatement Special Assessment

Diseases Michigan Mosquitos Can Transmit

- West Nile Virus
- Jamestown Canyon Virus
- Eastern Equine Encephalitis
- St. Louis Encephalitis

- Montrose residents in 2013 approved a five-year \$30.00 per year/ per parcel mosquito abatement special assessment.
- Each local unit of government must contract out mosquito abatement as it is not a county-wide service.
- The special assessment was renewed in 2016.
- In 2021 City Council requested mosquito abatement proposals as the current assessment was set to expire.
- The City received one qualified proposal from APM Mosquito Control.
- APM provides mosquito abatement to Montrose Township.
- To continue to provide the current level of service the Special Assessment would be increased to \$45.00 per year/per parcel.
- This special assessment increase is due to increases in fuel, labor and materials. It is also due to a longer mosquito season running from April through October.

BALLOT LANGUAGE FOR THE PROPOSED MOSQUITO ABATEMENT PROGRAM:

"Shall the City of Montrose impose a forty-five (\$45.00) dollar assessment upon each parcel within the City for a period of five (5) years, 2022 through 2026 inclusive, to provide funding for a city-wide mosquito abatement program, thereby raising an estimated thirty thousand six hundred dollars and zero cents (\$30,600.00) in the first year the assessment is levied?"

YES ()

NO ()

If Approved By Voters APM Mosquito Control Will Use Integrated Mosquito Management

- **Monitor adult mosquito and conduct disease testing.**
This includes utilizing light traps to identify quantity, species and diseases carried.
- **Identify breeding sites, conduct inspections and apply larvicide.**
Mapping of breeding location and application of catch basin larvicide briquettes.
- **Apply ULV adulticide (truck fogging)**
Truck-mounted short-lived adulticide applied in the affected area.
- **Apply Perimeter Barrier adulticide applications (backpack spraying)**
Longer lasting and applied to foliage in public spaces and on the homeowners property when requested.

A Quick Tutorial To Access Your Online Account

Click on the following hyperlink on the City's main page at cityofmontrose.us

Access Online Services! [Click Here for more information](#)

You can also go to AccessMyGov page at <https://accessmygov.com/?uid=1161>

1. Find your record using the search options at the top of the screen. For a more detailed discussion of the search capabilities, please see <http://www.accessmygov.com/Documents/AMGBasics.pdf>. For this example, we'll search by owner name (Smith):

The screenshot shows the AccessMyGov search interface. At the top, there is a search bar with 'All Records' selected and 'By: Name' chosen. The search term 'smith' is entered. Below the search bar, there is a sidebar with 'ONLINE SERVICES' including 'Internet Services', 'All Record Search', 'Assessing Search', 'Building Department Search', 'Current Tax Search', 'Property Sale Search', 'Utility Billing Search', 'Online Payments', and 'Building Department Payments'. The main content area shows 'Search Results for "smith" using the Name Search in Assessing, Building Department, Tax, and Utility Billing'. It includes a message: 'Not finding what you are looking for? Try refining your search to narrow your results or changing your search type.' Below this, there is a table with columns 'Name', 'Reference #', and 'Address'. The table displays one record: 'BANKS, RONALD K & DEBORAH A SMITH' with reference number '040-040-900-250-00 (Parcel Number)' and address '10860 KNOCKADERRY DR'. The table also shows 'Displaying items 1 - 15 of 146' and 'Records Per Page: 15'.

2. Click on your parcel record from the Search Results screen. If your parcel isn't found, broaden your search criteria by removing some details such as First Name, or search by the Address or the Parcel Number instead.

3. Once you are on the Parcel Details screen, two options are presented to view details. This help document covers Option 1:

Option 1: I am the homeowner of this record. (No Charge)

Homeowners can view their information **free of charge** please click the below button to proceed. Please note that once an AccessMyGov account has viewed their records for free, they will no longer be able to view other properties for free.

Note: You must have an AccessMyGov account in order to access your information for free, please [click here](#) to create a new account.

[Access this Record for free](#)

4. To access your record for free, it is important that you create an account and log in which you must click here to register. After you enter you create a username and password you will be prompted with the question.

The screenshot shows a dialog box titled 'Question' with a question mark icon. The text inside asks: 'Do you wish to continue with setting yourself as the owner of this record? There are a limited number of records you are allowed to associate your account with for free.' At the bottom, there are two buttons: 'Yes' and 'No'.

Click yes. The details of the parcel record become available. As long as the Owner Name of this record doesn't change, you will have 24/7 access to make payments.

Montrose Office Staff are here to help if you have any questions or issues to create your account. It's a great way to save time and money.

City Assessor

The City Assessor Robert Naumann will be sending notices to properties in the city to re-inspect twenty percent of its parcels.

This is a requirement by the State of Michigan and the City wishes to be compliant with the Audit of Minimum Assessing.

The assessor will take measurements of the exterior of the home and all structures on the property including: sheds, decks, porches, garages, utility buildings, pools, or any other structure erected on a property.

The assessor will not enter your home.

If you have any questions feel free to call the City Offices at 639-6168 ext. 4

An Olympic sized swimming pool could be filled every two hours during peak water usage in the city. That's over 300,000 gallons an hour!

Summer Maintenance & Tips

- Hydrant flushing to begin in late May early June. This will help ensure hydrants are maintained and flush out any rust or sediment.
- Be sure you know the location of the water shutoff valve in your home. Check it periodically to ensure it works properly.
- The street sweeper is slow moving and easy to spot, but it might not necessarily see you or your vehicle. Please be cautious and give it space on the road.
- Our DPW prides itself on its safety record. This summer look out for the neon green vests Montrose DPW employees will be wearing as they crack seal and patch streets. **Please slow down and move over when you see them working.**
- During the summer months and year-round property, owners in the City of Montrose are responsible for keeping public right-of-way clear from overgrown vegetation, including bushes, shrubs and trees. **This includes sidewalks overgrown with sod and weeds.**

- The City of Montrose will be completing pavement maintenance on several streets this summer. This will be an application of crack seal.
- The benefits from using a crack seal extends the life of the street by reducing the amount of water to cause damage through the freeze thaw cycles.
- The city DPW utilizes this equipment to apply seal to over one mile of city streets.

Please be sure to slow down and give space.

Tentative Summer Street Project

Hickory and S. Saginaw Street Shoulder Grading

- Anticipated work to start in early Spring.
- Shoulders of these streets will be built up with gravel and graded.
- Mailboxes located in right of way will be moved in to reduce ruts and shoulder damage.
- This allows for safe vehicle travel and water to properly drain away from the road surface.

Code Enforcement Enforcing Blight Ordinances

City staff will be working this Spring to ensure the blight ordinances are being enforced. The "Blight Ordinances" are meant to; Prevent areas of the City that are, or may become, blighted with the resulting impairment of taxable values. **Door hangers will inform residents of a suspected violation, followed up by a letter and if necessary the issue of a citation.**

Blight includes:

- **Vehicle Storage, Repair and Abandonment**
- **Litter, rubbish, junk. Storage and Disposal**
- **Noxious Weed and Growth (tall grass)**

All federal, state, local and special elections in the City of Montrose are administered by the City Clerk's Office. Special care is taken to ensure that elections are managed properly and residents receive the assistance needed with voter registration, absentee ballots, and more. The City Clerk also manages and makes available past election results.

News and Notes From City Office

For emergency responders, every second counts!

That's why it's important to make sure your home address is visible from the street. The City of Montrose adopted the International Property Maintenance Code and it states that buildings shall have approved address numbers placed in a position to be plainly legible and visible from the street or road fronting the property. These numbers shall contrast with their background. Numbers shall be a minimum of 4 inches in height with a minimum stroke width of 0.5 inch. Visible address numbers also ensures that city staff in an emergency can respond in a timely manner.

MOSQUITO ABATEMENT PROGRAM

APM Mosquito Control (APM) has been contracted to perform the mosquito control program for The City of Montrose. The City of Montrose Mosquito Management program was implemented in 2017. APM will work to improve and refine the current program in efficiency and effectiveness. The program consists of all phases of an Integrated Mosquito Management strategy against mosquitoes in the city.

1. Adult mosquito monitoring/Disease Testing.
2. Breeding site inspections and larviciding.
3. ULV Adulticide applications.
4. Perimeter Barrier Adulticide applications.

Detailed information about the program is available at the city offices.

In an effort to notify residents within the city for community Larviciding and ULV adulticide applications APM and City of Montrose utilize the following methods:

1. Public notice in newspaper. A notice appears in the Tri County Times newspaper explaining larviciding and seasonal adulticiding. Advises anyone interested in further information to contact APM or Montrose City Hall.
2. The city posts information about mosquito program at the city offices, as well as on their website, www.cityofmontrose.us
3. The city frequently posts current information regarding mosquito management program in the newsletter.
4. A brochure about the mosquito control program is available at the city hall. The Brochure explains how the whole program works and gives any resident the opportunity to not participate. See Brochure included with this correspondence.
5. A Call/Shut-off notification list is maintained as part of the city program. Before ULV adulticide applications take place APM will call any residents that request to remind them and inform them that a community mosquito control application will be happening that evening, weather permitting. Residents may also request that the ULV adulticide be shut off in front of and or upwind of their area. These areas are staked with a reflective orange stake and noted on ULV adulticide operational maps.
6. Mosquito control is often a topic of discussion at city meetings and residents are always encouraged at meetings to find out more about their local mosquito control program.
7. Information (sample labels & SDS) on insecticides used in program are available upon request by calling APM at (810) 766-9423 or (877) 276-4714 and are available at the City of Montrose offices and the APM website at www.advancedmosquito.com

The contact person that can respond to public questions is Chuck Mullins at APM Mosquito Control.

Crime Prevention Safety Tips

With the arrival of Spring people will be out and about in the city but not everyone has the same intention of enjoying the warm weather. Review the following crime prevention safety tips in order to familiarize yourself in ways to help prevent crimes of opportunity.

- Keep your garage door closed.
- Remove valuables from vehicles.
- Install secure window well covers.
- If you have double-hung or sliding windows or doors, place a wooden stick in the track.
- Use timers for your lights if you come home after dark.
- If you are going on vacation, be sure to stop mail service and cancel newspapers so they don't pile up in front of your home while you are away.
- Be on the lookout and report suspicious vehicles that look out of place.

Did you know?

To be a Peddler in the City of Montrose you must apply and be issued a permit. If someone knocks at your door ask if they have a city issued permit. If they don't please feel free to call the city offices.
